

## OUR NIAGARA FALLS HONEYMOON

We "SHUFFLES OFF TO BUFFALO" from Constantine, Michigan Sunday June 26, 1938 taking 2 days to get to Niagara Falls NY in our 1934 Ford Coupe.

When we arrived in Niagara Falls we walked to the edge for the magnificent view and a lady approached us offering to rent us a room in her home. We accepted. There were no motels.

The next day we went to the Canadian side of the Falls and remember going into the tower. We saw the beauty of the rushing water and the rainbow rising in the mist reflected from the glancing sun. While in Canada we experienced great warm hospitality and excellent food--especially the beef.

Probably the biggest reason we chose Niagara Falls for our honeymoon was because the groom's father and mother had spent their honeymoon at the Falls in 1912 and had nothing but praise for Niagara Falls.

We have lived in Kalamazoo Michigan 10 years and over 43 years in Schoolcraft Michigan. June 26, 1993 we will celebrate our 55th anniversary.

Six months of the year we are in Michigan and the other six months in Bradenton Florida and are both enjoying good health.
