Niagara Falls:

A dream honeymoon. Yes, I remember it as if it were yesterday. Although my sweetheart died 16 years ago, I can remember how beautiful our honeymoon was. I had not traveled out of Wisconsin before and when we went on the Maid of the mist, donned the raincoats and viewed the magnificent Falls, I felt like I was in heaven. We were in our own little world. Just the two of us in a dream come true.

We were married on June 13, 1946 just 6 months after my darling husband got out of the Air Corps. The day after our lovely wedding we took off for Niagara Falls in a borrowed car and all the money we received from the wedding. We drove to the Falls and I thought they were breathtaking. A miracle. The sun didn't shine that day but it was shining in our hearts.

We stayed in Buffalo one night and after the Falls we drove up to Toronto, North Bay and Collingwood where we did a lot of

sightseeing. We saw the Porcine Quanta and I felt so worldly. We then returned to Wisconsin through Sault Ste. Marie.

I think it was the most fantastic honeymoon any couple could have. I treasure the memory of Niagara Falls in my heart. My first big trip with my dream man. What a lucky girl I was! A perfect honeymoon!

Sincerely,

P.S. We came home with about \$2.00 of our wedding money and our hearts full of love!
