my honeymoon.

The year of the war. But my new husband was of manly & he turned down because of a heart prob. Well we went to the falls on our honeymoon in a beat up car. with gas coupons given to us by friends. We slept in our car also borrowed for 3 da. But you know we had a great time. We are going to be married 57 yrs this yr. My hubby is 72. I am 68. We have been to Canada a few times in Granby But could never get to the falls again to our sorrow. We love Canada. Its a great Country. But winters are bad for my hubby. As a matter of fact that is the only

reason we did not return to
Canada. We hope to go to see
our godchild in Apr or May.

That we are on a five day cruise
we would go up to the falls.
We don't have to many more
time we can drive up from
our home in Fla. a mobile. By
the way we lived in Woonsocket
R.I. when we married. We have
two boys who gave us four great
grand kids. We are both french he
was born in Canada. I'm R.I.

Thank you I guess I could write
a book about Canada and the
USA.
