We were married May  
Eighth in the Waynes  
Meth. Ch. 1982. It was  
a second marriage for  
both of us. My eldest  
son escorted me to  
the altar and when  
asked who give the  
this woman, he said  
all my seven  
childrens names. I  
was 65 and my  
husband was 78.

The church was packed  
with relatives and  
friends. We left for  
Niagara falls, visited  
the U.S side and  
went on to the  
Canadian side.

The Canadian side was  
so beautiful it took  
my breath away.  
We found a place

to stay which was  
within walking  
distance of the falls.

We made numerous  
trips back and forth.

But the most lovely  
was the falls at night  
with the beautiful  
colored lights. We  
went down each  
night & watched.

We went to city hall  
on a 2 tiered bus  
& were presented with  
a certificate. We  
toured all over the  
falls & saw all the  
things - which was  
a wonderful experience  
for us - both being  
raised on a farm.

We listened to a  
Scottish band play  
such wonderful

music while we ate  
our meals. This was  
the greatest time of  
my life and we  
have been back since  
since then and  
will celebrate our  
11th anniversary May 8  
this year 1993.

We have had a  
glorious time in  
these 11 years - but  
Niagara Falls was  
most certainly the  
highlight of them  
all.

Sincerely  
Irene Elizabeth  
McCague

P.S. I'll air Sept 9th  
on my birthday and  
brake both arms.  
Please excuse my  
writing. My right

Wrist is still in  
bad shape.
