The Golden Honeymoon Memories Contest,
Niagara Falls Review,
Niagara Falls, Ontario.

Dear Sirs:-

Re: Your "Golden Honeymoon Memories Content"

We noticed an article recently in our Kelowna Daily Courier Newspaper with regard to your contest.

Unfortunately, we do not have a "Honeymoon story" for you, however, we thought you might like to have the enclosed Laser print of ray {grandfather and grand - mother on their honeymoon at Niagara Falls?

Their names are - Albert Herbert De Mara (known as Herb or A. H.) and Madeline Noble De Mara, (known as Madeline or Maud).

Information from the De Mara Family Bible is as follows:-

Albert Herbert De Mara was born in Fenlon Falls, Ontario, 10, 1874.
Madeline Noble De Mara was born in Owen Sound Ontario on April 23, 1879.

Marriage Certificate is as follows: "Albert Herbert De Mara and Madeline Noble Tomlinson were United in Marriage at Toronto, Ontario on November H, 1898 in the presence of J. F. Willoughby - signed E. F. Smith. N. A. Rodwell, Pastor, Clinton Street Methodist Church.

The writing on the photograph (which is very faint) reads:-

en you and I were young Maud"
"At the foot of the Falls"

The original photograph is enclosed in a small album and was given by them on the occasion of their 25th. wedding anniversary to my mother.

We thought you might be interested in this photo as we don't imagine you will receive too many taken in and around 1898!

My wife and I also love Niagara Falls. We spent a lovely time there a few years back.

Yours Sincerely, ^.^
