Golden Honeymoon Memories  
c/o Niagara Gazette  
310 Niagara Street  
Niagara Falls, NY 14302-549

Dear Sir/Madam:

We were married 08-22-1987, a remarriage for both of us. I was forty-seven, my husband fifty-three years old. We did not have a lot of time for a honeymoon, and I kept thinking, where is a very special place that we could drive to, spend just a few days, and yet still have a truly wonderful honeymoon. I had been to Niagara Falls with my parents many years before and remembered what a great time we had had, and how spectacular the falls were for me as a thirteen year old, it surely must be truly wonderful as an adult, especially on a honeymoon. So it was decided to make plans for Niagara Falls. We certainly were not disappointed! We had a marvelous time. We were off to a wonderful start, we stopped at the travel bureau and I spotted on the wall a certificate stating that we had honeymooned at the Falls. The gentleman told us that there were no more certificates left, but he was kind enough to remove the one he had on the wall, filled it out and gave it to us. His kindness was certainly appreciated and a nice good will ambassador. We included a Gray Lines of Niagara Falls one day trip. I am afraid of water, but since the Maid of the Mist was included, and on one's honeymoon one becomes a lot braver, I went on the boat. My husband was at the railing taking pictures while I clung to the front of the boat saying my rosary. On the tour we met two couples that we still keep in touch with, and who from the beginning, as we boarded the bus, became very special to us. We laughed and talked with our new found friends all during the tour. We rode the Skylon Tower, toured both sides of the Falls, and my husband rode the cable car, one adventure on the boat used up all my bravery. As we left the bus that night we felt sad, we had made so many new friends, and **everyone** on the bus was waving goodbye to us (we were the first ones dropped off at our hotel). To our good fortune, we met up with the two couples we had become especially close to, exchanged telephone numbers, and still keep in touch with them. We also spent an enjoyable time at the SummitPark Mall, ate in the restaurant where you sit in a "birdcage". All in all, we could not have chosen a better place for our honeymoon. We came home with a lot of wonderful memories, and four new friends.

Sincerely,

  
Marian Bacon
